1. ALBACORE PARK

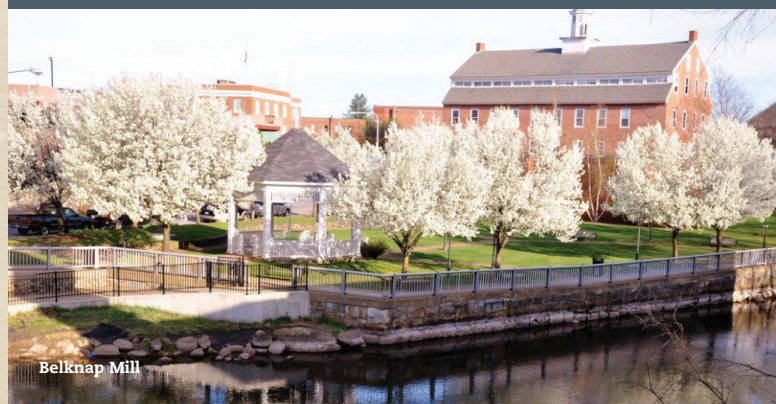

Visit Albacore Park and take a self-guided tour through retired US Navy submarine. The USS Albacore (AGSS569) was an experimental platform for new subsurface naval technologies and tactics, and twice established the world's record for the fastest underwater speed. A Museum gift shop, visitor's center, and Memorial Garden are on-site.

2. AVIATION MUSEUM OF NEW HAMPSHIRE

Our mission is to preserve New Hampshire aviation history through dynamic and hands-on exhibits and programs. The Museum engages the public through learning opportunities in aviation science and technology. The Museum offers a unique cultural experience that inspires aviation enthusiasm in people of all ages. Open year round.

3. BELKNAP MILL

The Belknap Mill was built in 1823; it is the nation's oldest unaltered brick textile mill and was one of the first mills to convert from weaving to knitting during the Civil war. The Belknap Mill Society, Inc. operates the mill as a community-focused museum and cultural center. We have two working museums, the knitting room featuring knitting machinery and the wheel house featuring a 1918 hydroelectric power plant, and an exhibit room and Gift Shop for your enjoyment.

4. CANTERBURY SHAKER VILLAGE

More than a museum, a chance to rethink tradition. Canterbury Shaker Village is dedicated to preserving the 200-year Shaker legacy of innovative design, entrepreneurship and simple living. Includes 25 restored original and four reconstructed Shaker buildings on 694 acres, café, museum store.

5. CASTLE IN THE CLOUDS

Visit Tom and Olive Plant's century old mountaintop estate "Lucknow". Completed in 1914 the "Castle in the Clouds" is a beautiful example of arts and crafts architecture, and a snapshot of life in New Hampshire during the early 20th century.

6. CLARK HOUSE MUSEUM

The Clark House Museum's four historic buildings will give you a chance to "travel through time" during an hour long tour with costumed guides. Explore our 1778 Colonial House, have a lesson in our 1880's one-room school and view our fascinating Victorian fire engines and pumps. Take a look at our soon to be opened Colonial barn where there will be ongoing displays and genealogical materials.

7. INDEPENDENCE MUSEUM

Founded in 1991 and located in historic downtown Exeter, the American Independence Museum includes both the 18th century Ladd-Gilman House and Folsom Tavern. Its collection includes one of only 26 surviving copies of the Dunlap Broadside of the Declaration of Independence, two rare drafts of the U.S. Constitution, and an original Purple Heart awarded by General George Washington. Other exhibits highlight the Society of the Cincinnati, the nation's oldest veterans' society, while more exhibits include American furnishings, ceramics, silver, textiles, and other military items.

8. LIBBY MUSEUM

Built in 1912 by scientist, Dr. Henry Libby and located on beautiful Winter Harbor, Lake Winnepesaukee, The Libby, is a Museum of Natural History displaying local fish and wildlife, Native American artifacts, rocks and minerals, and an eclectic collection of oddities from the time period. Enjoy our popular scavenger hunt, special programs and one of the best views on Lake Winnepesaukee.

Millyard Museum

9. MILLYARD MUSEUM

The Millyard Museum, housed in an historic textile mill building, explores the major themes of Manchester's history through its permanent exhibit, "Woven In Time: 11,000 Years at Amoskeag Falls." The museum is a favorite of locals and tourists alike. It serves as a resource for schools throughout the region. On display are a wide range of objects, documents, and artwork showcasing Native American history, the story of the Amoskeag Manufacturing Company, immigration and many other topics.

10. MUSEUM OF THE WHITE MOUNTAINS

The Museum of the White Mountains at Plymouth State University immerses visitors in the cultural and environment legacy of the region. Objects, images, stories, and digital resources promote understanding and engagement in changing exhibitions. The robust website hosts collections, exhibitions, videos, educational materials and more.

New Hampshire Boat Museum

11. NEW HAMPSHIRE BOAT MUSEUM

The museum features changing exhibits on the history of New Hampshire's fresh water boating and cultural life on our many lakes and rivers. Young and old will find something of interest. Visitors can view our introductory video on lake and boating history, young people can enjoy the interactive Family Activity Center, and shoppers can enjoy our Museum Store. For those wanting to get out on the lake, the museum offers narrated rides aboard the Millie B, a 1920s era vintage wooden boat at the Wolfeboro town docks.

12. NEW HAMPSHIRE FARM MUSEUM

The New Hampshire Farm Museum tells the story of agriculture and rural life in NH over three hundred years. The Museum is a working farm located on two adjoining historic farmsteads situated on 50 acres on Plummer's Ridge in Milton. Visitors enjoy exploring our Great Barn filled with agricultural displays and exhibits, touring the historic Jones Farmhouse, taking a farm and garden tour, visiting the heritage breed farm animals and walking our fields and forest trails.

Remick Country Doctor Museum & Farm

13. REMICK COUNTRY DOCTOR MUSEUM & FARM

A working farm, a historic home and an agricultural museum. Blending the past with the present to explore over 200 years of rural living through the lives of two country doctors, their prominent family and the land they settled. Witness sustainable agriculture as it happens, interact with farm animals, engage in historic pastimes and explore New Hampshire customs and history. Open year-round with seasonal activities, workshops and interactive events for all ages.

14. WOODMAN MUSEUM

The Woodman Museum is a traditional early 20th century style natural science, local history and art museum with exhibits displayed throughout four historic buildings including a 1675 colonial garrison house. Opened in 1916, visitors of all ages are treated to a unique museum experience with a new adventure waiting around every corner... minerals, fossils, shells, taxidermy, police, fire memorabilia, model ships, antique dolls, tools, musical instruments, paintings, early Portsmouth furniture, Civil War artifacts, even a saddle used by President Lincoln. The Woodman in Dover, is one of the Seacoast's oldest historic attractions. Groups welcome by reservation. Seasonal.

Wright Museum of World War II

15. WRIGHT MUSEUM OF WORLD WAR II

Experience the past and be inspired by a nation united at the Wright Museum. With over 14,000 items in its collection of 1939–1945-era home front and military memorabilia, the Wright seeks to increase public awareness of the contributions made by WWII-era Americans, and to honor their enduring legacy. Engaging displays include a Time Tunnel, a 1940s soda fountain, and tanks and other military vehicles.

All museums require admission unless otherwise specified.
